

raincap

Rain Cap is a rugged and well designed roof cover for current and late model lift trucks. Made of a high impact, non-yellowing polycarbonate, Rain Cap has you covered rain or shine with clear and tinted versions.

Keeps the seat dry!

Easy installation and removal!

Engineered Forklift Roofs

Rain Cap features a unique dome design that diverts rain and small particulates away from the operator. Channels and gutters eliminate cascading water. This alternative to shrink-wrap, plywood and cardboard provides greater comfort and safety.

OSHA standard 1917.43 (e) (1) (ii) clearly states, "Overhead guards shall not obstruct the operator's view."

Features

- Channels and gutters eliminate cascading water
- Ultra-tuff weather-able polycarbonate
- Available in clear or gray-tinted polycarbonate
- Tinted caps provide UV protection

Easy to Install, Reasonably Priced

Rain Cap is quick and easy to install. No drilling or tapping is required; eliminating expensive shop time. When placing an order please have the forklift's overhead guard dimensions and model available.

Rain Cap Forklift Covers

Rain Cap is a rugged and well designed roof cover for current and late model lift trucks. Made of a high impact, non-yellowing polycarbonate, Rain Cap has you covered rain or shine with clear and tinted versions.

53.25" x 45"	A000044675	A000044694

Additional sizes are available for all OEMs and models. Please contact us with your overhead guard dimensions for pricing and sizing information (outside top edges - width x length).

- Rain Cap is not eligible for free freight.
- Rain Cap is returnable, but the protective film must be intact. If the film is peeled back, it is no longer returnable.
