

We're excited to announce that we've entered a new partnership with Valvoline Inc. As a supplier to over 30 OEMs, Valvoline™ offers a complete range of lubricants and performance products to help keep vehicles running at peak performance—across a variety of industries.

This partnership brings exciting changes for the Promatch® parts program and our dealer network—offering you full access to Valvoline products. In addition, eleven Valvoline products are private labeled with the Promatch brand name. These items are competitively priced and packaged in preferred container sizes.

Program Highlights:

- Promatch branded and Valvoline branded oil orders can be placed on DealerNet
- Orders receive credit towards your Parts Incentive Plan
- Increased selection of private labeled products
- Lower pricing
- Increased service levels
- Free freight for orders over \$1,700
